PB-500

POCKET BALANCE

Features & benefits

The Salter Brecknell PB Pocket Balance offers a convenient, compact and portable weighing capability and a choice of capacities.

This elegant looking product offers unparalleled weighing performance, with the advantage of low cost and affordability.

Standard features include grams, ounces, pennyweights and troy ounce weighing modes, parts counting and auto power off to enhance battery life.

Offered in a stylish and tough ABS case, the PB Pocket Balance comes with a top plate cover that protects the weighing platform from accidental damage, while doubling as a draft shield for more accurate weighing.

Batteries and a multilingual user instruction manual are included.
