

SAFESCAN 4100 POS SAFE

REDUCES ROBBERY DAMAGES

The Safescan 4100B POS safes reduces the risk of robbery and internal theft by allowing banknotes to be securely stores at the point-of-sale.

High value notes can be stored immediately in the POS safe. The Safescan POS safe is constructed from steel and operates fully mechanical with no plastic working parts. It provides an effective and robust storage under the POS counter.

- Avoid robbery by storing banknotes safely at POS
- Banknotes are stored neatly and jam-free
- Easy mounting out of sight under the cash desk
- All steel casing, no plastic parts
- Comes with 2 separate double bearded keys
- Security double bearded key facilitates easy removal of storage compartment from the POS counter
- Separate key for opening the banknote storage compartment
