

Banknote Counter

Brand: Safescan Model: 2985-SX Colour: Grey Article: 112-0649 EAN: 8717496337221

2985-SX Banknote counter

Rapidly count and sort your banknotes with the highest precision

Process large amounts of banknotes with complete certainty and ease. The Safescan 2985-SX rapidly value counts and sorts mixed notes while simultaneously verifying them on up to seven security features. The 2985-SX has a double pocket design with dedicated reject pocket that provides uninterrupted counting. Perfect for when you need to process large stacks of cash quickly. Thanks to its smart design, high definition touch display and intelligent interface in your local language your cash counting, sorting and processing will be easier, faster and more accurate than ever.

- Value counts and sorts mixed banknotes for all pre-installed currencies
- Counts sorted banknotes for all currencies
- Counts up to 1.200 banknotes per minute
- Counts up to three currencies at ones in the multi-mix mode
- Verifies banknotes on up to seven security features
- 100% tested banknote verification by central banks
- Sort banknotes based on validity, denomination and orientation
- Recognizes and scans the serial numbers of multiple currencies
- Automatically recognizes with currency or denomination is inserted
- Easily operated with HD touch display with multi-lingual interface and quick menu
- Creates stacks of banknotes based on amount or value with multiple batch features
- Scans the tiniest details of banknotes thanks to its double CIS technology

Places suspected counterfeit banknotes in the dedicated reject pocket
