

# M-605

Marsden Hoist Weighing Attachment

Lightweight & Portable for use in Home, Community or Hospital

Suits Most Hoist 'Coathanger' Sling Support

Safety Clips to Secure

Fits to Larger Hoists

## M-605

### Description

10cm longer than the M-600, to suit longer spreader bars.

The Marsden hoist weighing attachment provides an effective, low cost method of weighing immobile patients.

It is the perfect solution for hoists with no scale built in, and enables it to be attached to a variety of hoists.

It is easily transportable between hoists and carehomes.
