Description

The Marsden M-650 wheelchair scale has a large weighing platform to accommodate almost every wheelchair and a gentle in-cline on the ramps for ease of use.

The wheelchair scale is a one piece unit and lifts onto fitted castors so that the wheelchair scale can be easily and safely transported, as well as providing a compact unit for easy storage.

The scale comes with optional hand rails, which provide support and stability for patients.

A column can be supplied to mount the display.
