UPC: 888338336110

TM-818 TIME CLOCK SYSTEM

WITH RFID BADGE OR PIN

The built-in RFID proximity reader of the TM-818 terminal ensures efficient and reliable attendance tracking. Combine with PC software for single PC use or TimeMoto Cloud. Choose TimeMoto Cloud for instant synchronization from any location at any time. Easy clocking in and out for employees. Powerful tools at your fingertips to efficiently manage your workforce.

TimeMoto's TM-818 time clock system is designed to accommodate the time attendance and workforce management requirements for companies with up to 2.000 employees. With its 3.5" TFT display, 1.2 GHz dual core processor and built-in RFID reader, it ensures reliable, instant authentication. Its memory capacity stores up to 100.000 logs. The integrated push technology then sends their clocking data directly to the TimeMoto Cloud.

POWERED BY THE CLOUD

TimeMoto Cloud enables you to handle all your timesheets, scheduling and reporting from any location, whenever you need it. Our TimeMoto system includes a TimeMoto Cloud Plus 30-day trial. Giving you the opportunity and time to discover TimeMoto Cloud's many advantages before choosing a subscription.

- Time Clock System complete with PC software for single PC use or TimeMoto Cloud*
- Collects and calculates hours worked, project hours, overtime and absence
- Clocking in/out with RFID badge, Key fob or PIN
- For up to 2.000 users
- Connects over Wi-Fi, Ethernet (LAN) or USB Host
- * After the 30-day trial, choose your subscription: TimeMoto Cloud or TimeMoto Cloud Plus

Clocking with RFID proximity card or PIN code

TimeMoto desktop software for single PC use included

Or TimeMoto Cloud (30 days included)
